WHITE GYPSY IRISH CRAFT BEERS

German Doppelbock 7.5%
75cl €13.50 *Ideal for sharing*

A sweet malty beer with a juicy toffee finish.

This is literally a double bock. A strong, dark and malty beer with very little bitterness. It has a rich flavour that is dark and delicious, toffeeish with some sweetness.

It goes very well with the strong flavours of Thai food.

Humdinger 5.0% 500 ml

This is a refreshing pale ale, light bodied brewed with cascade hops which brings citrusy notes to this Humdinger of an ale.

Dark Lady 5.2% 500 ml

Dunkel! A lager style almost single- handedly saved by the descendants of the last king of Bavaria, Konig Ludwig the third. This beer at 5.2% belies the senses, but don't be afraid of the dark!

The Banker 5.2% 500ml

White Gypsy The Banker Wheat Beer displays a slight twist on the German classic wheat beer. The addition of Rye malt gives a drier lighter flavour profile and is very refreshing.

Brewed and bottled at:

The White gypsy Brewery, Templemore, Co. Tipperary
